

# WHERE DO I STORE MY TRASH CANS?

Except when placed on the curbside for collection your trash and recycling containers must be stored behind your building line (behind the front of your house).

You may place your receptacles on your tree lawn NO earlier than 4:30 p.m. the night before your scheduled pick up day. You must also be aware that containers cannot be left on the curbside past 10 a.m. on the day following your scheduled pickup.

We invite you to do your part not only to help us keep our city clean and safe, but to continue to make Berea a great place to live!
