Get to Know Rotaract

Baldwin Wallace University

Rotaract

Service Above Self

- A service-based club that holds service above self and regularly hosts service events. We work with the community to better the community.
- Part of Rotary International with 1.4 million members worldwide
 - Sponsored by Rotary Club of Berea, District 6630
- Brings together students on our college campus to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service.

*"The purpose of Rotaract is to provide an opportunity for young professionals to **enhance the knowledge and skills** that will assist them in **personal development**, to address the **physical and social needs of their communities**, and to **promote better relations** between all people worldwide through **a framework of friendship and service.**"*

Diversity, Equity, Inclusion, Accessibility, and Belonging Statement

In Rotaract, we are committed to treating everyone with dignity and respect, allowing everyone's voice to be heard, and providing equitable opportunities for fellowship, service, and leadership. Our members want and expect Rotaract to be a diverse, equitable, inclusive, and accessible organization.

We embrace and commit to the principles of diversity, equity, inclusion, accessibility, and belonging. We recognize that being a diverse, equitable, inclusive, and accessible organization will enhance the experience that members have in Rotaract, allow us to carry out more meaningful and effective service efforts, and create open, welcoming environments that appeal to people who want to connect with us. Through diverse service opportunities, activities, and leadership development, we are taking action to follow these principles in everything we do.
